

Dharma Restaurant/QSR Pricing

This program offers further reduced rates for low-average ticket merchants, like Quick-Service Restaurants. You'll be able to process on a dedicated retail terminal, or through your POS system like Clover Mini. Our interchange-plus pricing is the fairest pricing model in the industry, and always ensures you receive the lowest rate for whatever card type you accept.

0.20% + \$0.07 per authorization
above interchange

Monthly fee: \$10

Batch fee: \$0.07

AVS fee: \$0.05

No Hidden Charges

\$7.95/month PCI fee (only if scanning is required!)

No Annual Fees

No Monthly Minimums

No Early-Termination Fees

What do you get with a new account?

Full service customer support to get you up and running quickly and smoothly.

Online access to your statements, reports, and PCI compliance.

AMEX acceptance built-in, with the same funding schedule as Visa/MC/Discover.

2-day funding guaranteed, and we typically grant next-day funding for Storefront merchants.

Clover Mini is the future of the POS system. For only \$499 accept ever card type available on a sophisticated tablet. Combined with amazing support and a \$40/mo fee, Clover Mini is an easy choice.

The FD-130 offers EMV tip-adjustment as well as Chip+PIN acceptance, with easy menus and a touch screen. Only \$499 + shipping
